Thanks once again to all of you who came and raced with us at the 6th running of the Mojave Mile.

We had two warm days with almost no wind.

If you weren't there, you missed out on some great fun and lots of chances to run.

490 runs were scored over the two days. There were 7 breakout runs not scored, and one DNF.

Runs in yellow = class winners. Your trophies will be mailed to you.

Runs in blue = Index Challenge winners. We're sending out those trophies also.

Purple = fastest bike and fastest car

Congratulations to all our winners!

Special congratulations go to Mark Capener, who set a new Mojave Mile car record speed of 230.4 mph in his Lamborghini!

New Speed Club members: 225 Club, Mark Capener; 200 Club, Scott Hayes and Karl Schello.

"DNF" = this vehicle Did Not Finish its run.

"over" = this run violated our speed limit policy and was withheld from scoring.

For those who had more than 13 runs with a vehicle, the rest are shown here:
