Thanks to all who came out to Mojave and raced in our inaugural 1.5 mile Magnum.

We had two days of sunny weather and some fierce tailwinds on Saturday, which resulted in some very impressive speeds.

410 runs total; 374 runs were scored, 23 breakouts, 10 DQ, 3 DNS.

Runs in yellow = class winners. Your trophies will be mailed to you.

Runs in blue = Index Challenge winners. We'll mail those trophies also.

There was a tie for the win in the A1 Class; duplicate trophies will be sent.

Congratulations to all our winners!

"DNS" = Did Not Start, for whatever reason. "DQ" = disqualified

"over" = this run violated our speed limit policy and was withheld from scoring.

Eric Anderson once again broke his own record for number of runs in a Mojave event, with 34. ("Iron Butt" seems inadequate. Maybe "Titanium Butt"?)

edited 6/12/12 - one car DQed from SSE
