MKM thanks all those who came out to Mojave and raced with us. If you weren't there, you missed two days of perfect weather and lots of chances to run.

Runs in yellow = class winners. Your trophies will be mailed to you.

Runs in blue = Index Challenge winners. We're sending out those trophies also.

"DNR" = Did Not Run. "DNF" = Did Not Finish.

"over" = this run violated our speed limit policy and was withheld from scoring.

"TM" = Timing Malfunction. We lost two runs on Saturday due to an equipment issue. We apologize and will try to do better next time.

Our congratulations and admiration go out to Bill Warner, who rode his Hayabusa to a new record speed of 274.8 MPH. This is the fastest run ever at the Mojave Mile. Bill obviously wins our trophy for Fastest Motorcycle. The trophy for Fastest Car goes to Tom Fries who ran 215.6 MPH in his new Ford GT.

Our informal "Iron Butt Award" for 2011, without a doubt, goes to Eric Anderson who endured 31 runs on his Kawasaki. There wasn't room above for his last 12 runs, so they are shown below:

run20	run21	run22	run23	run24	run25	run26	run27	run28	run29	run30	run31
182.3	180.5	183.3	182.0	183.3	179.7	159.5	181.4	179.2	181.9	180.0	179.0

Thanks again to all of you, and we hope to see you (and many more) in Spring 2012. Watch our web site at [www.mojavemile.com](http://www.mojavemile.com) for an announcement of the dates.

== The Mojave Mile Staff, and all of us at MKM Racing ==

Corrected 10/23/11 - one run was moved from #200 to #200X

All of us at MKM extend our deepest sympathies to the family and friends of Dan Wheldon, who lost his life in a multi-car accident while competing in the Indycar 300 auto race at Las Vegas Motor Speedway on October 16, 2011. RIP Dan.
